

TRADE-IN PROGRAM

Truth is - consumer electronics and computer hardware continue to lose value, it's time to recover capital from your older technology investments. Axis has been helping corporations, organizations and small and medium-size companies realize a high ROI for used assets for 12 years with an emphasis on data security and environmental stewardship.

AXIS'S TRADE-IN PROGRAM IS:

- **A unique opportunity** - You offset the cost of new equipment when upgrading.
- **A full-service program** - We provide a dedicated Trade-In Specialist to help you throughout the process.
- **Focused on data security** - Get assurance that your data is handled properly with secure DoD erasure and eStewards certified data destruction.
- **An environmental answer** - We offer a sound end-of-life solution for your company's used and retired equipment.

We "live and breathe" the things you care about:
Data Security, High Recovery Value, and Environmental Impact.

PACKAGING

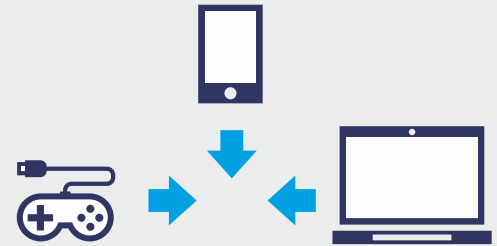

- Please package your equipment in repurposed cardboard boxes, if available. They must be no bigger than 20"W x 20"H x 24"D and weigh no more than 40 lbs. when full.
- Keep your items safe! Safely pack your items with bubble wrap, packing peanuts or recycled newspaper.
- Have several boxes to ship (10 or more)? Have a large volume of electronics that need special packaging? Contact us about volume packaging and pick-up services.

SHIPPING

- Save time and postage and PRINT your prepaid labels using Axis's Smart Label online portal. Since this is a time sensitive process, a UPS shipping label will immediately be emailed upon submission.
- You're ready to ship! Securely tape your box shut, then leave it for your UPS driver or take it to any UPS location.

MAXIMIZE YOUR RETURN

- Only collect and ship qualifying equipment.
- Include chargers, adapters and battery packs.
- Video games must be in original packaging and not scratched.

COLLECT

QUALIFYING CONSUMER ELECTRONICS AND COMPUTER HARDWARE.
